Mosman Oil and Gas Limited
("Mosman" or the "Company")

Â

Board Update

Â

Mosman Oil and Gas Limited (AIM: MSMN) the oil, gas, helium and hydrogen exploration, development, and production company, is pleased to announce the appointment of Carl Dumbrell as an independent Non Executive Director, joining the Board with immediate effect.

Â

Carl is a Chartered Accountant in both Australia and the UK who brings over 20 years' experience in taxation and assurance services to the board, working with quoted companies on both the LSE and ASX, predominantly in energy and resources.

Â

He is currently a Partner in CDTL, a Sydney based accounting firm in addition to being Director and Company Secretary of ASX listed Emperor Energy Limited (ASX:EMP), a Director of Herencia Resources Plc and Chairman of the Kennedy Foundation, a not for profit organisation dedicated to excellence in Australian journalism.

Â

Previously Carl was Partner, Global Head of Mining and Natural Resources at Mazars LLP in London and a Director of ASX listed Oil Basins Limited.

Â

Board and Management team

Â

The Board has also appointed Nigel Harvey as Chair, effective 1 October 2023, in an independent non executive capacity with Founding Executive Director Andy Carroll now leading the business as CEO, formerly Technical Director, and Carl Dumbrell as Independent Non Executive Director. Â The management team continues to include Jarrod White (CFO), Howard McLaughlin (US Operations Manager) leading the group's oil and gas activities in Texas, consultant geologist Dr Julie Daws working on the group's helium hydrogen and hydrocarbon exploration in the Northern Territory, and Nicholas Marshall (Company Secretary). Â Sydney based firm Traverse Accountants provide financial, company secretarial and accounting services.

Â

The Board wishes to acknowledge and thank the departing Chair and founding

Director John Barr for his many years of service to the Company and wishes him well with his future endeavours.Â

Â

The Board also notes that Mr Carroll remains on his current flexible executive services contract, that its new Chair is non executive and that other costs have been optimised as it focusses on regrouping and rebuilding the Company's operations as self sustainably as practicable.

Commenting on the appointment, Andy Carroll, CEO said: "We are pleased to welcome Carl, who brings significant expertise in finance and capital markets as well as resources to the board, and we look forward to working with him as Mosman continues to build on its strategy to increase USA production and keep high potential upside helium, hydrogen and hydrocarbon exploration in Australia."

Carl Dumbrell added "I'm very much looking forward to working with Andy, Nigel and the Mosman team."

Â

Notes to editors

Mosman (AIM: MSMN) is an oil and gas exploration, development, and production company with projects in the US and helium and hydrogen exploration in Australia. Mosman's strategic objectives remain consistent: to identify opportunities which will provide operating cash flow and have development upside, in conjunction with progressing exploration of its existing exploration permit and permit application. The Company has several projects in Texas in the USA and exploration projects in the Amadeus Basin in Central Australia.
