**Results of 2020 AGM and
Issue of Shares and Warrants to settle outstanding Director liabilities**

Mosman Oil and Gas Limited (AIM: MSMN) advises that all resolutions put to shareholders at the Annual General Meeting, held earlier today in Sydney, Australia, were duly passed.

The Resolutions included one for the reappointment of Mr John Young as a Director, and six dealing with the issue of shares and warrants to Directors to satisfy amounts outstanding that were deferred due to impact of the COVID-19 Pandemic.

The passing of the resolutions removes AUD225,000 in debt from the balance sheet, and therefore increases working capital by a similar amount. Directors abstained from voting on these six resolutions in accordance with governance requirements and Australian Corporate requirements.
